Environmental education poster with illustrations of a recycling bin, a tree, and various waste items. The poster is divided into sections with labels in Russian: **Грибы** (Mushrooms) and **Древесная Ажурка** (Wooden Lattice). It includes a grid of icons for different types of waste and a central illustration of a tree with a recycling bin at its base.

Environmental education poster titled **ЖИВИ ПРАВИЛЬНО!** (Live Right!). It features a central illustration of a tree with a recycling bin at its base. The poster includes text in Russian: **ОПАСНЫЕ ОТХОДЫ** (Dangerous Waste) and **ВЫБРАСЫВАЙ ОТДЕЛЬНО!** (Dispose Separately!). It also includes a diagram of a recycling cycle and a list of items that should be recycled.

Small sheet of paper with a grid of icons representing various types of waste, including plastic bottles, paper, and food waste. The text above the grid is partially visible and appears to be a list of waste categories.

Small cards and a larger sheet of paper with a grid of icons, likely related to the environmental education activity. The cards show various waste items and recycling symbols.
